# Particularities and advantages of the association

## Shared costs

RENAULT

L'ORÉAL

## Governance

### ☐ Decisions:

- Choose the projects
- Research teams
- All type of actions

### ☐ Participation:

- Only involved in scientific meeting

## Projects with practical results in short terms

- Members' needs
- Give recommendations to improve LCA practice
- Decision support

## A specific networking

- Between members
- With the research teams
- With experts
  
- Workshop added inside projects
- Workshop added for specific topics
  
- Crossing different skills
- Improving skills of members
- Confronting to other practices and vision

## High quality research

- Discuss
- Contribute
- Review

**Philippe OSSET**

## Communication

- ❑ On the website SCORE LCA
- ❑ In conferences
- ❑ In thematic days

## This Workshop

- Results for five studies
- Members feedbacks on the relevance of the topics, the use of results in their practices
- Some experts presentations
- Question times: feedback from audience is very important for us !

SCORE LCA
